1) Call to order

Commissioner Fiorito called the meeting at 2:30 p.m.

2) New Business

Brian Archibald approached the Committee and it was decided to all take a tour of the proposed area for the mountain bike path in Rockwell Park. Stakes were placed on the one (1) mile path. It was noted that this is a one winding directional path. The area of path does not need to be wider; maybe 2' in areas. This is an area of Rockwell that is not being utilized.

Parking for bikers will be at the Stone House parking lot. The bikers will cross the walking path to the opposite side of the park.

Grant money is available through regional organizations. Mr. Archibald will have volunteers to prepare the trail. Assistance will be needed when trees on the path will be removed. Other debris may be used as obstacles or skill training.

Mr. Archibald would like to see a skills area; preferably on part of the existing soccer field.

The area may need to be surveyed, reviewed with zoning and inland wetland departments.

No motions were made.

Adjourn:

MOTION: Made by Commissioner Fiorito to adjourn at 3:45 p.m.
Seconded by Commissioner Donovan
All in favor. Motion carried.

Respectfully submitted,

Lisa Wilson, Recording Secretary
Board of Park Commissioners
