

Bristol Police Data Request Form

Reports, Computer data and voice recordings

Incident reports and data extraction from the Bristol Police computer or voice recording systems require searching for data and converting it to the format you request. The Requirements for us to process a request are:

- Type of data desired –
 - Statistical - for example all burglaries between June and August 2010
 - Specific incident – for example an accident on May 1, 2011
- Date range (beginning and ending date/time)
- **A \$5 refundable deposit**

Fee schedule:

Paper copy per side:	\$0.50
Photographs per copy:	\$3.00
CD	\$1.00 + Data search and conversion time
CD with Photo	\$1.00 + 1.00 per photo + Data search and conversion time
Data Search time per hour	\$28.50
