Officer Michael Campisano received the Silver Star Award for his attention to detail when investigating an attempted burglary. Officer Campisano confronted the occupant of a vehicle matching the description of the suspect vehicle which contained items used in the attempted break in as well as items stolen from a burglary in Southington. This led to the arrest of the suspect for the burglary in Southington and further arrests are to follow for the attempted burglary in Bristol and other cities across the state.

Lead Dispatcher Amy Therrien, Dispatcher Toni Boyle-Mason, Dispatcher Melissa Garcia and Dispatcher Jennifer Belli received the Letter of Commendation for their attention to detail during a multi-jurisdictional investigation regarding a carjacking. Dispatchers Belli and Garcia were monitoring and relaying information from the hotline when the incident was announced and sent pertinent information to patrol while Dispatcher Boyle-Mason and Therrien answered the radio and coordinated resources to the officers during this incident. This incident was rapidly unfolding and became an officer involved shooting and motor vehicle accident into a populated diner.

Dispatcher Melissa Garcia received the Letter of Commendation for providing a caller with instructions on delivering their child. The child was delivered three minutes into the call and she stayed on the phone providing instructions until EMS arrived on scene.

Lisa Ziogas, Rebecca Krol, Jaqueline Morelli, Jillian Chase, Suzanne Howard received the Letter of Commendation and Employees of the Month for December 2022. In the wake of the homicides of our officers and injury to Officer Iurato, they all recognized that there were multiple tasks that needed to be completed in support of the community, the officers and dispatchers. These tasks are above and beyond what is expected of them, however, they realized the importance of them which is the reason for their recognition. Their attentiveness, compassion, outstanding work ethic and selfless nature are superior examples for fellow employees and are in direct correlation of the values of the Bristol Police Department.

Luis Lorenzo, Miguel Lorenzo, Joseph Howson, Lindsey Rivers, David Oaks, Keith Rondini received the Letter of Appreciation. In the wake of the homicides of our officers and injury to Officer Iurato, they all recognized that there were multiple tasks that needed to be completed in support of the community, the officers and dispatchers alike. These tasks included setting up tables in the lobby for memorabilia left by the community, hanging cards and lights within the lobby windows to back light the memorial, cleaning the break room and protecting the memorial during inclement weather as well as making sure dead flowers were removed on a daily basis. RE: February Monthly Traffic Division Statistic Report

Serious Traffic Accidents:

Open Cases:

1. Case #22-21652 (7/1/22) – A two vehicle crash on Farmington Avenue at Camp Street. A vehicle exited a business parking lot and was struck by a vehicle on Farmington Avenue. The driver of the vehicle exiting the business parking lot was killed in this crash. The investigation is under supervisor review.
2. Case #22-19414 (6/11/22) – A single motorcycle left the roadway while traveling eastbound on James P Casey Road at Hill Street. Upon leaving the roadway, the motorcycle struck a guardrail and continued into a utility pole. The operator was transported by LifeStar to an area hospital where he is recovering from serious, life changing injuries. The investigation is completed and an arrest warrant has been approved and the investigating officer is working to have the accused turn himself in.
3. Case #22-23384 (7/14/22) – A motor vehicle versus pedestrian crash on Middle Street. A pedestrian was struck while in the travel portion of the roadway. The driver stopped and waited for police. The pedestrian was killed in this crash. This investigation is completed and final drafts are being completed.
4. Case #22-37216 (10/29/22) – A westbound vehicle on Pine Street struck a pedestrian that began to cross Pine Street in a southerly direction. The pedestrian was pronounced dead at Bristol Hospital. This crash is under investigation and a search warrant was executed for a vehicle inspection to assist in this investigation.
5. Case #23-107 (1/2/23) – A westbound vehicle on Farmington Avenue in the area of the 700 block crossed over the double yellow line and crashed into a utility pole. The driver exited the vehicle to speak to police, but her condition rapidly deteriorated during her interview. She was immediately transported to an area hospital where she was later pronounced dead. This crash is currently under investigation.

Closed Cases:

1. Case #22-28631 (8/20/22) – A motorcycle was traveling eastbound on Redstone Hill Road and had just crossed over Emmett Street, where the rider failed to negotiate a curve in the roadway and crashed. The rider died as a result of this single vehicle crash. The investigation is completed and signed off by the supervisor.

Additional Assignments:

In addition, the Traffic Division officers are tasked with the daily maintenance of the fleet, child car seat installations as well as assisting other divisions within the police department and throughout the city.

The Traffic Division, as well as the Patrol Division has been asked to evaluate the traffic conditions on Farmington Avenue in the area of the Root Clinic and evaluate the traffic flow. The Traffic Division conducted a review and determined that any issue may be when the clinic first opens at 5:30am.

The Traffic Division has been participating in evaluations of possible vendors for a State funded reimbursement CMAQ grant. The Community Multiscale Air Quality uses traffic patterns to keep vehicles from idling at multiple red lights in the same area. We have been working with the Director of Public Works and the Purchasing Department for these evaluations. This grant would upgrade six intersections within the downtown area to help with traffic flow.

The Traffic Division assisted in a large scale funeral service for a 16 year old child who was tragically killed in a motor vehicle crash in a surrounding town. They were assisted by the Farmington Police Department and Connecticut State Police and we developed a route that minimally affected traffic on Route 6. It is estimated that the funeral procession was over a mile long.

The Traffic Division was tasked to watch for a U-Haul vehicle parking on Union Street at various times, causing line of site issues. Although the Patrol Division located the vehicle and placed parking tags on it, the Traffic Division is currently still watching for this vehicle if other violations occur.

I applied for two digital feedback speed limit signs from a grant from the State of Connecticut. These signs can be installed for long term durations for traffic studies. I am currently waiting to hear if I am approved and pick up location. I will then be required to attend a speed monitoring device clinic which I have scheduled in June.

Miscellaneous Information:

One traffic officer is working to renew his child car seat certification, which expires every two years. This process involves online training, in person training and participation in a clinic where their installations are checked by a certified instructor.
